main effect - to in the Shunika St
the St. Forest Office still holding himself
responsible for the custody of the
records. As however the papers first
go to him, it is his duty to send
them to the St. Office for preservation in
its records and ^{was} ~~so~~ if we hold that
it should be the place of final custody
and the St. Forest Officer ~~is to blame~~

the order of 1901 or 1902 for the purpose of
fixing the responsibility. Beyond stating
that the records are missing, no sort
of enquiry seems to have been held.
The Forest is said to have been notified
in 1895 and by a reference to the
deputies it must be possible to
trace the history of the movement of
the records since then. A detailed report
